

Job Description - Motion Graphic Designer

Tamada Media is one of South India's fastest-growing digital media companies with some of the biggest digital content creators owned by us. While everybody is busy thinking out of the box, we at Tamada Media, tossed the box out. We believe in boundless innovation and encourage young talent to realize their true potential. We are partnered with some of India's leading OTT players and satellite television channels to give them digital-first content. We are also one of the enterprise partners for YouTube with over 1 billion monthly views and one of the top entertainment partners with Facebook. With our existing partnerships with some of the leading production houses down south, we are also able to bring in their production capabilities coupled with our execution prowess to make the best Telugu content out there.

Responsibilities :

- Creating visually stunning motion graphics and animations for various digital media platforms
- Utilizing video software, such as Adobe After Effects, Adobe Premiere Pro, and Cinema 4D, to design and execute captivating motion graphic projects
- Incorporating typography, visual effects, and sound design to enhance the overall impact and engagement of motion graphic content
- Demonstrating a keen eye for aesthetics and attention to detail, ensuring high-quality motion graphic deliverables that meet client requirements and exceed expectations
- Contributing to the creative process by bringing innovative ideas and creative solutions to the table, contributing to the overall success of the design team
- Managing multiple projects simultaneously, adhering to project timelines, and delivering projects on time.

Key Requirements :

- You have a degree/diploma in Design, Fine Arts, or a related field
- You have prior experience as a Motion Graphics Designer as well as a strong portfolio of sample projects
- You possess strong knowledge of Adobe After Effects and Adobe Premiere Pro or similar tools
- You have a keen eye for design and aesthetics
- You have excellent communication skills and can clearly articulate your ideas
