

## **Job Description – Video Editor**

### **About the Company:**

Tamada Media is one of South India's fastest-growing digital media companies with some of the biggest digital content creators owned by us. While everybody is busy thinking out of the box, we at Tamada Media, tossed the box out. We believe in boundless innovation and encourage young talent to realize their true potential. We are partnered with some of India's leading OTT players and satellite television channels to give them digital-first content. We are also one of the enterprise partners for YouTube with over 1 billion monthly views and one of the top entertainment partners with Facebook. With our existing partnerships with some of the leading production houses down south, we are also able to bring in their production capabilities coupled with our execution prowess to make the best Telugu content out there.

### **Job Responsibilities:**

Looking for creative Video Editors to create engaging and on-brand content:

1. Manipulate and edit rough footage in a way that is creative and unique.
2. Take a brief to grasp the production team's needs and specifications and trim footage segments and put together the sequence of the film.
3. Ensure the sequence is logical and up to the team's standards and requirements.
4. Create rough and final cuts.
5. Continuously discover and implement new editing technologies and the industry's best practices to maximize efficiency.

### **Skills Required:**

1. Proven work experience as a Video Editor. (Certification is a bonus)
2. Familiarity with design software such as Motion Graphics, Avid Media Composer, Lightworks, Premiere Pro, Photoshop and After Effects, etc.
3. Demonstrable Video Editing ability with a strong portfolio.

### **Experience & Qualification:**

Any graduate with 3+ years of experience in editing Program videos or long-length videos
